## **Drainage Completed in Fenwick Island (2014-Present)**

### **2014**

- **Bay St.** – Approximately 200' of 8" ADS pipe installed to close in ditches and help facilitate water from right of way to intersection at W. James St. / Bay St. Work was completed by Sussex Conservation District.
- **Bora Bora St.** – 528' of 8" ADS perforated pipe installed along west shoulder to street end. Job was done to remove old rock basins and damaged pipe and facilitate water out to the bay. Work was completed by J & J Bulkheading. Public Works Department later came back and dug out along sides and top of pipe and backfilled with clean #57 stone.
- **N. Schulz Rd.** - (2) small metal drain boxes and 20' of 8" ADS connector pipe installed to drain laying water in right of way across street to outfall pipe into lagoon. Work was completed by Sussex Conservation District.

### **2015**

- **W. Dagsboro St.** – 428' of 8" ADS perforated pipe installed along north shoulder of road from Wright St. to N/S. Schulz / Dagsboro intersection, backfilled trenches with clean #57 stone. (6) concrete basins installed from N. Schulz to Wright St. Road was also raised approximately 3% from McWilliams St. to N/S. Schulz / Dagsboro intersection. Work was completed by Sussex Conservation District.

### **2017**

- **Bora Bora St.** – 260' of 8' ADS perforated pipe installed along east shoulder from W. Houston St. to street end. Metal corrugated pipe already in ground was damaged during construction of a new residence on street and was found to be failing in other spots as well. (1) Nyloplast 18"x8" basin was installed as well to remove original rock basin. (1) 8" Tideflex in-line check valve was installed at outfall of pipe. Work was completed by Sussex Conservation District.

### **2019**

- **1504 / 1506 Bay St.** – New construction was occurring at location, homeowner asked what could be done to nullify rock basins and expand driveway to serve both homes. To complete job, a 12" 3-way junction was purchased and installed with ADS pipe couplings and 2' of 12" ADS pipe was installed to delete other rock basin and open driveway as requested. Work completed by Town of Fenwick Island Public Works Dept.

## **2019 (continued)**

- **W. Bayard St.** – 530' of 10" ADS perforated pipe installed with (4) 12" Nyloplast and (2) 24" Nyloplast basins installed along north shoulder onto W. Bayard St. Extended and out to existing outfall pipe. Trench was backfilled with clean #57 stone. Work completed by Sussex Conservation District.
- **Madison Ave.** – In front of 53 Madison, original drainage pipe was damaged by ongoing construction along street. Trench was dug in front of listed address to drain box at 55 Madison. Trench was approximately 1'x2' 40' long. Removed existing damaged pipe and installed 40' of 4" ADS perforated pipe. Backfilled trench with clean #57 stone. Work completed by Town of Fenwick Island Public Works Dept.
- **N. Schulz Rd.** – Installed Inline Backflow Preventer
- **W. Essex** – Delivered, Installed Rip Rap at end of road
- 

## **2020**

- **N. Schulz Rd.** – Construction occurring at 45 W. Dagsboro St. damaged rock drainage basin behind home. Removed rocks and grate to check underlying 10" ADS pipe for any damage, blockages, etc. Saw no damage other than grate being bent up, which was replaced by homeowner, during inspection. Added 10" Tideflex in-line check valve and rebuilt basin. Work completed by Town of Fenwick Island Public Works Dept.
- **W. Dagsboro** – Delivered and installed #57 stone at 41 and 43 to create better drainage.
- **Surf Ave.** – Delivered #57 stone to create better drainage.
- **S. Schultz** – Dug approx. 50ft swell to drain water to discharge.
- **Bayard St.** – Dug approx. 35ft trench, filled with #57 stone for drainage of water.
- **S. Carolina** – Dug 18ft trench, installed plastic piping, built two basins and covered in #57 stone to allow water to continue down road.
- **W. Farmington** – Dug approx. 150ft trench to allow water build up at Our Harvest to continue draining down road.
- **Ebb Tide** – Dug approx. 50ft trench and installed #57 stone to allow water to continue on to discharge.
- **Bayard St. & Bayside Dr.** Dug trench, delivered and installed #57 stone to allow for better drainage.
